PROFILE

As a passionate and results-driven Frontend Developer, I specialize in crafting modern, responsive, and accessible web applications that deliver seamless user experiences. Proficient in React.js, Next.js, and Tailwind CSS, I have worked on projects including dynamic dashboards, e-commerce platforms, and interactive UI components.

I believe in continuous learning and always strive to explore new tools, frameworks, and best practices to improve both functionality and aesthetics. My approach emphasizes clean architecture, component reusability, and performance optimization, while ensuring high standards of responsiveness, accessibility, and cross-browser compatibility.

With a strong growth mindset and hands-on project experience, I am eager to contribute to impactful digital solutions while continuously expanding my skills.
